

# Montmirail and Vauchamps 1814

## Errata

2018/08/26

### English version

#### *Clarification*

#### **10.1 Disorder (page 11)**

Brackets should be removed in the Exception's phrasing: Artillery is subject to the same rules covering disorder/rout as other units with one exception: if an artillery unit is already disordered **and suffers another disorder or a rout result due to fire**, it is eliminated.
